

Hello, Touchtown User. Thank you for choosing EvergreenTV!

Follow the instructions below to program an episode for your community's viewing. Videos must be programmed on an episode-basis per Touchtown, so be please be sure to copy the individual episode's share link and not the link to ETV's YouTube channel.

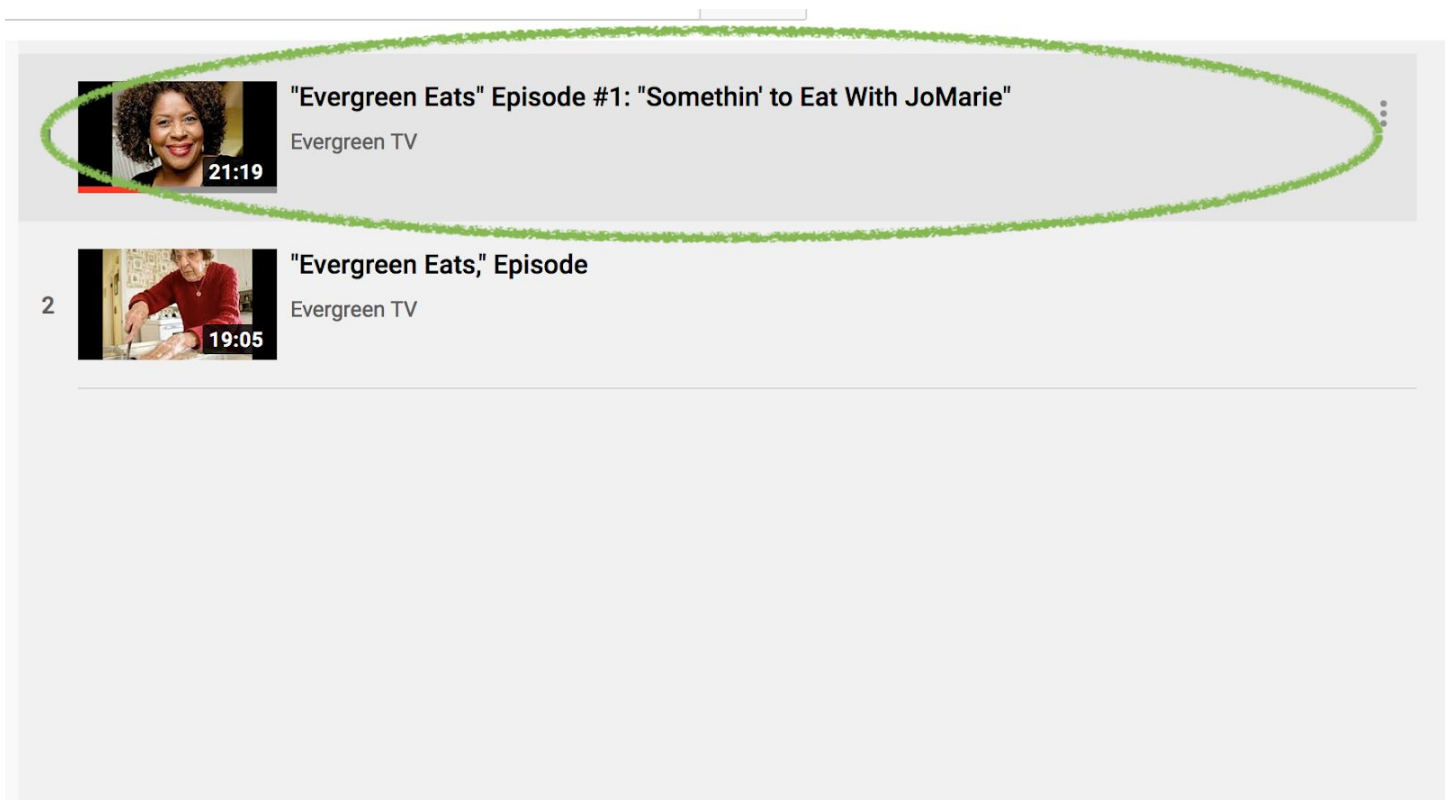

1. Follow the link to the [ETV YouTube Playlist page](#). Each show has its own playlist.

2. Find the show you wish to program and click through and select the **specific episode** you wish to program.

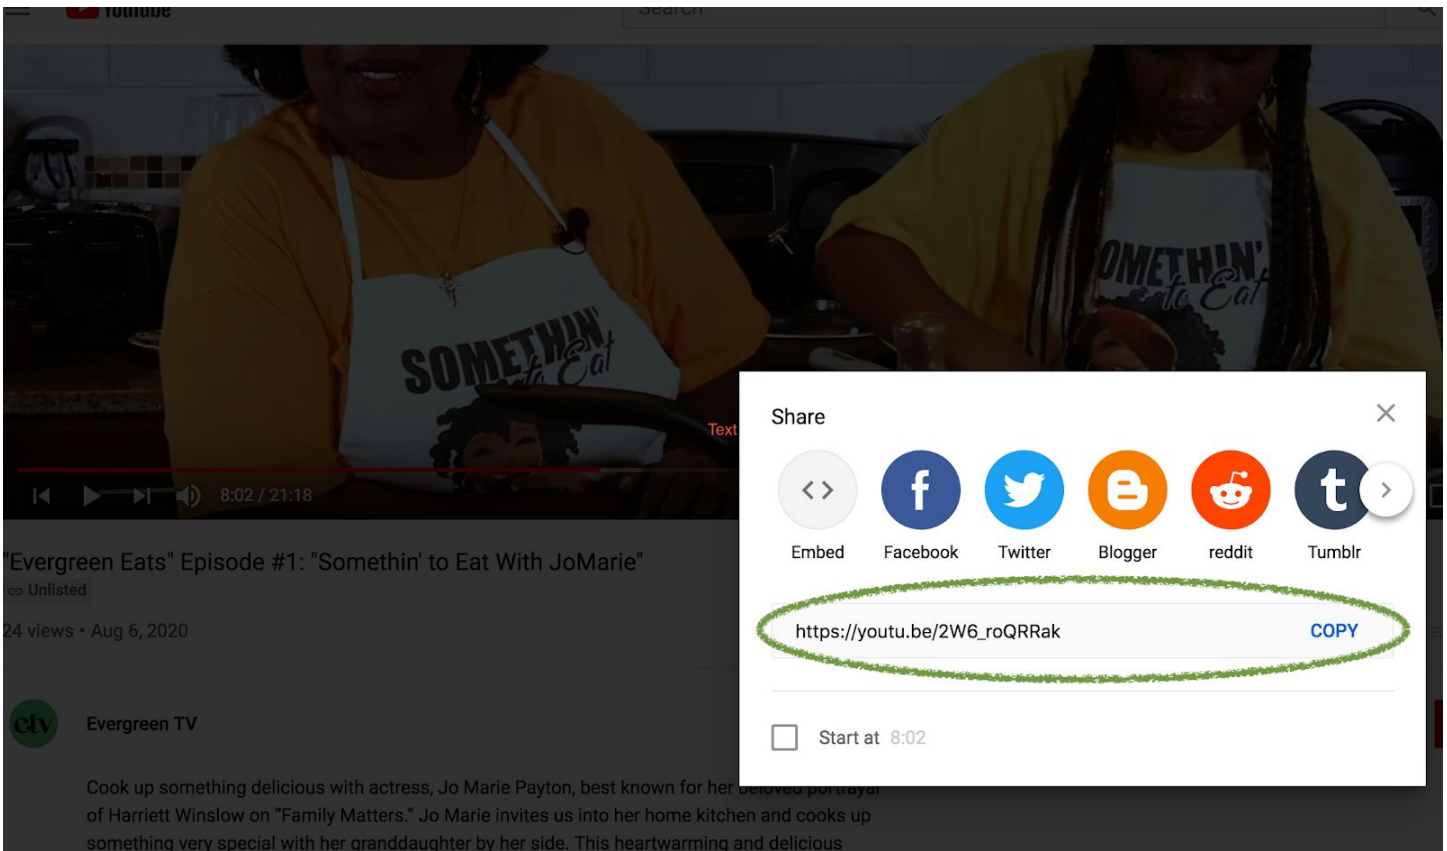

The screenshot shows the Evergreen TV website interface. At the top left is the 'etv' logo. The navigation menu includes HOME, VIDEOS, **PLAYLISTS**, CHANNELS, DISCUSSION, and ABOUT, with a search icon on the right. Below the navigation is a 'Created playlists' section. It features five playlist cards: 'American Theatre' (updated today), 'Evergreen Eats' (updated today, highlighted with a green circle), 'Evergreen Exercise' (updated 3 days ago), 'The Art of Thinking' (updated 3 days ago), and 'Stardus' (updated). Each card includes a thumbnail image, a number of items (1 or 2), and a 'VIEW FULL PLAYLIST' link.

The screenshot shows a video player interface. The first video is highlighted with a green oval. It is titled '"Evergreen Eats" Episode #1: "Somethin' to Eat With JoMarie"' and is from 'Evergreen TV'. The video duration is 21:19. Below it is the second video, '"Evergreen Eats," Episode', also from 'Evergreen TV', with a duration of 19:05. A small number '2' is visible to the left of the second video thumbnail.

3. Click the **Share** button below the video screen.
4. Click the **Copy** button next to the link.

5. Open the Content Manager.
6. Click on the Add button at the top of the page
7. Choose the YouTube button.
8. Paste the link in the YouTube Video - Paste URL Here: field by right-clicking the field and selecting Paste.
